Raised Bill No. 415

LCO No. 2506

Referred to Committee on TRANSPORTATION

Introduced by:
(TRA)

***AN ACT CONCERNING TRANSPORTATION NETWORK COMPANIES
AND RIDER SAFETY.***

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. Section 13b-116 of the general statutes is amended by
2 adding subdivisions (8) to (10), inclusive, as follows (*Effective October 1,*
3 *2026*):

4 (NEW) (8) "Sexual misconduct" means any verbal, nonverbal, written
5 or electronic communication, or any other act directed toward or with a
6 transportation network company rider or potential transportation
7 network company rider that is designed to establish a sexual
8 relationship with the rider or potential rider, including a sexual
9 invitation, dating or soliciting a date, engaging in sexual dialogue,
10 making sexually suggestive comments, self-disclosure or physical
11 exposure of a sexual or erotic nature and any other sexual, indecent or
12 erotic contact with a rider or potential rider.

13 (NEW) (9) "Telemetric monitoring" means the continuous, automated
14 collection and evaluation of operational and system performance data
15 that is generated by a digital network during a prearranged ride.

16 (NEW) (10) "Safety anomaly" means an unexpected event or data that
 17 deviates from performance baselines established by a transportation
 18 network company, including, but not limited to, high-force
 19 decelerations or structural vibrations consistent with a motor vehicle
 20 accident, significant departures from the path of the prearranged ride or
 21 prolonged periods of inactivity on the digital network.

22 Sec. 2. Subsection (a) of section 13b-118 of the 2026 supplement to the
 23 general statutes is repealed and the following is substituted in lieu
 24 thereof (*Effective October 1, 2026*):

25 (a) (1) A transportation network company shall provide for real-time
 26 messaging between the company and the transportation network
 27 company driver through the company's digital network when the driver
 28 is using the digital network. Such messaging shall be available in both
 29 English and Spanish.

30 (2) A transportation network company shall, through its digital
 31 network, provide an option for (A) a transportation network company
 32 driver to select a preference for the gender of the potential
 33 transportation network company rider such driver desires for the
 34 provision of a prearranged ride, and (B) a potential transportation
 35 network company rider to select a preference for the gender of the
 36 transportation network company driver such potential rider seeks to
 37 provide a prearranged ride.

38 ~~[(2)]~~ (3) After a potential transportation network company rider
 39 submits a request for a prearranged ride, the transportation network
 40 company shall display to the rider through its digital network a picture
 41 of the transportation network company driver and the license plate
 42 number of the transportation network company vehicle that will be
 43 used to provide the prearranged ride before the rider enters such
 44 vehicle.

45 ~~[(3)]~~ (4) A transportation network company driver shall display on a
 46 transportation network company vehicle a removable decal at all times

47 when the driver is connected to a digital network or is engaged in the
 48 provision of a prearranged ride. Such decal shall be: (A) Issued by the
 49 transportation network company; (B) sufficiently large so as to be
 50 readable during daylight hours at a distance of at least fifty feet; (C)
 51 reflective, illuminated or otherwise visible in darkness; and (D)
 52 displayed on the passenger side of the transportation network company
 53 vehicle if such decal is illuminated.

54 (5) A transportation network company shall, through its digital
 55 network, provide a transportation network company rider with (A) the
 56 option of utilizing audio recording during the provision of a
 57 prearranged ride; (B) an emergency assistance interface to provide
 58 direct communication with local law enforcement agencies during a
 59 prearranged ride; and (C) support and resources that shall be available
 60 twenty-four hours a day, seven days a week to manage any incidents,
 61 accidents or emergencies that occur during a prearranged ride.

62 (6) A transportation network company shall, through its digital
 63 network, implement and maintain a telemetric monitoring system
 64 capable of providing automated alerts to such company when safety
 65 anomalies are detected. Upon receiving any such alert, such company
 66 shall immediately, through its digital network, communicate by real-
 67 time messaging to seek the status of the driver and rider and ask if
 68 emergency assistance is requested. If no response is received from either
 69 the driver or the rider within a reasonable amount of time, such
 70 company shall call the local law enforcement agency and request
 71 emergency assistance for such driver or rider.

72 Sec. 3. Section 13b-119 of the 2026 supplement to the general statutes
 73 is repealed and the following is substituted in lieu thereof (*Effective*
 74 *October 1, 2026*):

75 (a) Prior to permitting an individual to act as a transportation
 76 network company driver on its digital network, the transportation
 77 network company shall:

78 (1) Require the individual to submit an application to the company
79 that includes (A) information regarding the individual's name, address,
80 date of birth, motor vehicle operator's license number and motor vehicle
81 registration, and (B) a written statement that (i) lists any transportation
82 network company for which the individual uses or used the company's
83 digital network to provide prearranged rides, and (ii) states whether the
84 individual has been the subject of a sexual misconduct investigation in
85 connection with the individual's performance as a transportation
86 network company driver or has ever been suspended or banned from
87 accessing a digital network by a transportation network company in
88 relation to any allegation of sexual misconduct, unless an investigation
89 resulted in a finding that such allegation was false or not substantiated;

90 (2) (A) Conduct, or have a consumer reporting agency regulated
91 under the federal Fair Credit Reporting Act conduct, a driving record
92 check and a local, state and national criminal history records check,
93 including a search of state and national sexual offender registry
94 databases provided such databases are accessible to the public, or (B)
95 arrange for the fingerprinting of the individual to be submitted to the
96 Federal Bureau of Investigation for a national criminal history records
97 check and to the State Police Bureau of Identification for a state criminal
98 history records check conducted in accordance with section 29-17a;

99 (3) Disclose to such individual, electronically or in writing, (A) the
100 insurance coverage, including the types of coverage and any coverage
101 limits, that the company provides while a transportation network
102 company driver is connected to the company's digital network or is
103 engaged in the provision of a prearranged ride, and (B) that a
104 transportation network company driver's personal automobile
105 insurance policy might not provide coverage while such driver is
106 connected to the company's digital network, available to receive a
107 request for a prearranged ride or engaged in the provision of a
108 prearranged ride; and

109 (4) Inform such individual, electronically or in writing, (A) that such

110 individual may enroll in the Paid Family and Medical Leave Insurance
111 Program pursuant to section 31-49m and obtain information about such
112 program from the Paid Family and Medical Leave Insurance Authority
113 established in section 31-49f, (B) of the requirements to become qualified
114 to provide prearranged rides that originate in a neighboring state, and
115 (C) of the transportation network company's deactivation process for
116 transportation network company drivers. For the purposes of this
117 subdivision, "deactivation process" means procedures a transportation
118 network company undertakes to materially restrict a transportation
119 network company driver's access to the digital network, including
120 blocking access to the digital network, suspending a driver from the
121 digital network or changing a driver's status on the digital network from
122 eligible to provide prearranged rides to ineligible to provide
123 prearranged rides.

124 (b) (1) A transportation network company shall conduct, or have a
125 consumer reporting agency regulated under the federal Fair Credit
126 Reporting Act conduct, a local, state and national criminal history
127 records check, including a search of state and national sexual offender
128 registry databases, or arrange for the fingerprinting of the individual to
129 be submitted to the Federal Bureau of Investigation for a national
130 criminal history records check and to the State Police Bureau of
131 Identification for a state criminal history records check conducted in
132 accordance with section 29-17a, at least once every [three years] year
133 after permitting an individual to act as a transportation network
134 company driver.

135 (2) A transportation network company shall provide, and require
136 each transportation network company driver to complete, an annual
137 training concerning sexual misconduct prevention and driver
138 education. Such training shall include information regarding the
139 prevention, identification and reporting of sexual assault and
140 harassment and instruction regarding appropriate interactions with
141 transportation network company riders.

142 (c) (1) No transportation network company shall permit an individual
 143 to act as a transportation network company driver on its digital network
 144 if such individual: (A) Has, during the three years prior to the date of
 145 such individual's application to be a transportation network company
 146 driver, (i) committed more than three moving violations, as defined in
 147 section 14-111g, (ii) committed one serious traffic violation, as defined
 148 in section 14-1, or (iii) had his or her motor vehicle operator's license
 149 suspended pursuant to section 14-227b; (B) has been convicted, within
 150 seven years prior to the date of such individual's application, of driving
 151 under the influence of drugs or alcohol, fraud, sexual offenses, use of a
 152 motor vehicle to commit a felony, acts of violence or acts of terror; (C) is
 153 included in the state sexual offenders registry or the United States
 154 Department of Justice National Sex Offender Public Website; (D) does
 155 not possess a Connecticut motor vehicle operator's license or a motor
 156 vehicle operator's license issued by a reciprocal state; (E) does not
 157 possess proof of registration for each motor vehicle such individual
 158 proposes to use as a transportation network company vehicle; [or] (F) is
 159 not at least nineteen years of age; or (G) fails to submit to periodic
 160 identity verifications through the company's digital network via the
 161 submission of a real-time photographic image prior to connecting to the
 162 digital network or being offered a subsequent prearranged ride. For the
 163 purposes of this subsection, "reciprocal state" means a state that permits
 164 transportation network company drivers who possess a Connecticut
 165 motor vehicle operator's license to provide a prearranged ride that
 166 originates in such state.

167 (2) An individual who is permitted to act as a transportation network
 168 company driver shall report to the transportation network company not
 169 later than twenty-four hours after the occurrence of any of the following:
 170 (A) The commission of a fourth moving violation, as defined in section
 171 14-111g, during the past three years; (B) the commission of one serious
 172 traffic violation, as defined in section 14-1; (C) the suspension of his or
 173 her motor vehicle operator's license pursuant to section 14-227b; (D) the
 174 conviction of driving under the influence of drugs or alcohol, fraud,

175 sexual offenses, use of a motor vehicle to commit a felony, acts of
176 violence or acts of terror; (E) inclusion in the state sexual offenders
177 registry or the United States Department of Justice National Sex
178 Offender Public Website; (F) failure to possess an operator's license; or
179 (G) failure to possess proof of registration for a transportation network
180 company vehicle. Each transportation network company that receives a
181 report pursuant to this subdivision or becomes aware of such
182 occurrence shall prohibit the individual from acting as a transportation
183 network company driver on the company's digital network until the
184 individual meets the qualifications of this section to be a transportation
185 network company driver.

186 (3) Not later than five days after a transportation network company
187 permanently bans a transportation network company driver's access to
188 the company's digital network due to a nonconsensual sexual act or
189 activity, attempt at a nonconsensual sexual act or activity or assault that
190 caused serious physical injury, as defined in section 53a-3, to another
191 person that was connected to the driver's use of such digital network,
192 such transportation network company shall notify each registered
193 transportation network company in the state of such ban and the
194 driver's name, date of birth and motor vehicle operator's license number
195 and state of issuance.

196 (d) (1) A transportation network company shall adopt a policy that a
197 transportation network company driver shall not use or be under the
198 influence of drugs or alcohol while the driver is connected to the
199 company's digital network or engaged in the provision of a prearranged
200 ride. The company shall provide notice of such policy on its Internet
201 web site, and include procedures for a transportation network company
202 rider to report a complaint about a driver whom the rider reasonably
203 suspects was using or under the influence of drugs or alcohol while
204 engaged in the provision of a prearranged ride.

205 (2) Upon the company's receipt of a complaint by a rider alleging a
206 violation of such policy, the company shall suspend the driver's access

207 to the company's digital network as soon as possible and conduct an
208 investigation into the reported incident. The suspension shall last until
209 completion of the investigation. If the investigation confirms the driver
210 used or was under the influence of drugs or alcohol while engaged in
211 the provision of a prearranged ride or while connected to the company's
212 digital network, the company shall ban the driver's access to the digital
213 network on a permanent basis.

214 (3) The company shall maintain all records related to the enforcement
215 of such policy for a period of not less than three years from the date that
216 a complaint by a rider is received by the company.

217 (e) A transportation network company shall adopt a policy that
218 prohibits a transportation network company driver from providing a
219 prearranged ride when such driver's ability to operate a transportation
220 network company motor vehicle is impaired by illness, fatigue or any
221 other condition that would likely preclude safe operation of such
222 vehicle.

223 (f) A transportation network company driver shall: (1) Comply with
224 all applicable laws regarding nondiscrimination against transportation
225 network company riders or potential transportation network company
226 riders on the basis of age, color, creed, destination, intellectual or
227 physical disability, national origin, race, sex, sexual orientation or
228 gender identity; (2) comply with all applicable laws relating to the
229 accommodation of service animals and accommodate service animals
230 without imposing additional charges for such accommodation; (3)
231 comply with the policies adopted by the transportation network
232 company pursuant to subdivision (1) of subsection (c) of section 13b-118
233 and subsections (d) and (e) of this section; (4) not impose additional
234 charges for providing prearranged rides to persons with physical
235 disabilities because of such disabilities; and (5) not solicit or accept a
236 request for transportation unless the request is accepted through the
237 transportation network company's digital network. The Commissioner
238 of Transportation may, after notice and an opportunity for a hearing

239 pursuant to the provisions of chapter 54, impose a civil penalty of not
240 more than two hundred fifty dollars on any transportation network
241 company driver who fails to accommodate the service animal of a
242 potential transportation network company rider. For the purposes of
243 this subsection, "service animal" has the same meaning as provided in
244 section 22-345.

245 (g) (1) Any person who holds himself or herself out to be a
246 transportation network company driver who is not permitted by a
247 transportation network company to use its digital network shall be
248 guilty of a class B misdemeanor.

249 (2) The state shall remit to a municipality fifty per cent of the fine
250 amount received for a violation of subdivision (1) of this subsection with
251 respect to each summons issued by such municipality. Each clerk of the
252 Superior Court or the Chief Court Administrator, or any other official of
253 the Superior Court designated by the Chief Court Administrator, shall,
254 on or before the thirtieth day of January, April, July and October in each
255 year, certify to the Comptroller the amount due for the previous quarter
256 under this subsection to each municipality served by the office of the
257 clerk or official.

258 (h) (1) A transportation network company vehicle shall (A) have four
259 doors; (B) not be older than twelve model years old; and (C) be designed
260 to transport no more than eight passengers, including the driver.

261 (2) Before any motor vehicle is used by a transportation network
262 company driver as a transportation network company vehicle, and
263 every two years thereafter, the driver shall certify to the transportation
264 network company that the following equipment is in good working
265 order: (A) Foot brakes; (B) emergency brakes; (C) steering mechanism;
266 (D) windshield; (E) rear window and other glass; (F) windshield wipers;
267 (G) headlights; (H) tail lights; (I) turn indicator lights; (J) brake lights;
268 (K) front seat adjustment mechanism; (L) doors; (M) horn; (N)
269 speedometer; (O) bumpers; (P) muffler and exhaust system; (Q)

270 condition of tires, including tread depth; (R) interior and exterior
271 rearview mirrors; and (S) seat safety belts and air bags for driver and
272 passengers. The transportation network company shall maintain such
273 certification for not less than three years.

This act shall take effect as follows and shall amend the following sections:		
Section 1	<i>October 1, 2026</i>	13b-116(8) to (10)
Sec. 2	<i>October 1, 2026</i>	13b-118(a)
Sec. 3	<i>October 1, 2026</i>	13b-119

Section 1	<i>October 1, 2026</i>	13b-116(8) to (10)
Sec. 2	<i>October 1, 2026</i>	13b-118(a)
Sec. 3	<i>October 1, 2026</i>	13b-119

Statement of Purpose:

To require a transportation network company to (1) annually conduct criminal history records checks of transportation network company drivers, (2) provide annual sexual misconduct prevention and driver education training, and (3) implement certain safety features through its digital network to ensure the safety of riders.
