57 (l) (1) Except as provided in subdivision (2) of this subsection, the
58 affordable housing appeals procedure established under this section
59 shall not be applicable to an affordable housing application filed with a
60 commission during a moratorium, which shall commence after (A) a
61 certification of affordable housing project completion issued by the
62 commissioner is published in the Connecticut Law Journal, or (B) notice
63 of a provisional approval is published pursuant to subdivision (4) of this
64 subsection. Any such moratorium shall be for a period of four years,
65 except that for any municipality that has (i) twenty thousand or more
66 dwelling units, as reported in the most recent United States decennial
67 census, and (ii) previously qualified for a moratorium in accordance
68 with this section, any subsequent moratorium shall be for a period of

81 may be counted toward establishing eligibility for a subsequent

82 moratorium. Eligible units completed after a moratorium has begun
83 may be counted toward establishing eligibility for a subsequent
84 moratorium.

85 (4) (A) Except as provided in subparagraph (B) of this subdivision,
86 the commissioner shall issue a certificate of affordable housing project
87 completion for the purposes of this subsection upon finding that there
88 has been completed within the municipality one or more affordable
89 housing developments which create housing unit-equivalent points
90 equal to (i) the greater of two per cent of all dwelling units in the
91 municipality, as reported in the most recent United States decennial
92 census, or seventy-five housing unit-equivalent points, or (ii) for any
93 municipality that has (I) adopted a municipal housing growth plan or
94 has elected to comply with a regional housing growth plan in
95 accordance with the provisions of section 8-13cc, (II) twenty thousand
96 or more dwelling units, as reported in the most recent United States

101 (B) If a municipality has received a final letter of eligibility from the
102 commissioner pursuant to section 8-13gg, the commissioner shall issue
103 a certificate of affordable housing completion to such municipality at
104 such time as, upon application, the commissioner determines, in the
105 commissioner's discretion, that the municipality is in compliance with
106 the following conditions: The municipality remains in compliance with
107 all requirements for a final letter of eligibility, and there has been
108 completed within the municipality one or more affordable housing
109 developments that create housing unit-equivalent points equal to (i) the
110 greater of one and three-quarter per cent of all dwelling units in the
111 municipality, as reported in the most recent United States decennial
112 census, or sixty-five housing unit-equivalent points, or (ii) for any
113 municipality that (I) has adopted a municipal housing growth plan or
114 has elected to comply with a regional housing growth plan in
115 accordance with the provisions of section 8-13bb, (II) has twenty

116 thousand or more dwelling units, as reported in the most recent United
117 States decennial census, and (III) previously qualified for a moratorium

119 units in the municipality, as reported in the most recent United States
120 decennial census.

121 (C) A municipality may apply for a certificate of affordable housing
122 project completion pursuant to this subsection by applying in writing to
123 the commissioner, and including documentation showing that the

125 applicable time period. Such documentation shall include the location
126 of each dwelling unit being counted, the number of points each dwelling
127 unit has been assigned, and the reason, pursuant to this subsection, for
128 assigning such points to such dwelling unit. Upon receipt of such
129 application, the commissioner shall promptly cause a notice of the filing
130 of the application to be published in the Connecticut Law Journal,
131 stating that public comment on such application shall be accepted by the
132 commissioner for a period of thirty days after the publication of such
133 notice. Not later than ninety days after the receipt of such application,
134 the commissioner shall either approve or reject such application. Such
135 approval or rejection shall be accompanied by a written statement of the
136 reasons for approval or rejection, pursuant to the provisions of this
137 subsection. If the application is approved, the commissioner shall
138 promptly cause a certificate of affordable housing project completion to
139 be published in the Connecticut Law Journal. If the commissioner fails
140 to either approve or reject the application within such ninety-day
141 period, such application shall be deemed provisionally approved, and
142 the municipality may cause notice of such provisional approval to be
143 published in a conspicuous manner in a daily newspaper having general
144 circulation in the municipality, in which case, such moratorium shall
145 take effect upon such publication. The municipality shall send a copy of
146 such notice to the commissioner. Such provisional approval shall
147 remain in effect unless the commissioner subsequently acts upon and
148 rejects the application, in which case the moratorium shall terminate
149 upon notice to the municipality by the commissioner.

150 (5) For the purposes of this subsection, "elderly units" are dwelling
151 units whose occupancy is restricted by age, "family units" are dwelling
152 units whose occupancy is not restricted by age, and "resident-owned

173 and two and one-half points if a rental unit; (C) family units in thirty-
174 year set-aside developments shall receive seventy per cent of the points
175 that would be received by an equivalent family unit in a forty-year set-
176 aside development under the provisions of subparagraph (B) of this
177 subdivision; (D) family units in twenty-year set-aside developments
178 shall receive forty per cent of the points that would be received by an

182 eighty per cent of the median income shall be awarded one-half point;
183 (F) a set-aside development containing family units which are rental

184 units shall be awarded additional points equal to twenty-two per cent

187 to July 6, 1995; (G) a mobile manufactured home in a resident-owned

203 restrictions which require that, for at least the duration required by
204 subsection (a) of this section for set-aside developments on the date
205 when such covenants or restrictions took effect, such dwelling units
206 shall be sold or rented at, or below, prices which will preserve the units
207 as affordable housing for persons or families whose income does not
208 exceed eighty per cent of the median income, or (C) are located in a
209 resident-owned mobile manufactured home park.

210 (8) Points shall be subtracted, applying the formula in subdivision (6)
211 of this subsection, for any affordable dwelling unit which, on or after

213 caused such dwelling unit to cease being counted as an affordable
214 dwelling unit.

215 (9) A newly-constructed unit shall be counted toward a moratorium
216 when it receives a certificate of occupancy. A newly-restricted unit shall

217 be counted toward a moratorium when its deed restriction takes effect.

219 affordable housing applications filed with a commission after a three-
